In the original publication of this article, an error in cross referencing led to reference 31 being incorrectly cited as:

Foulkes, L, Andrews, JL. Social causes and outcomes of acute transient psychotic disorder: a review of recent evidence. *Int J Soc Psychiatry* 2023; **69**: 412–9.

Instead, this should have been:

Foulkes L, Andrews JL. Are mental health awareness efforts contributing to the rise in reported mental health problems? A call to test the prevalence inflation hypothesis. *New Ideas in Psychology* 2023; **69**: 101010.

The article has been updated to correct this, and this erratum published. The Publisher apologises for this error.
