

## THE CAMARGO FOUNDATION FELLOWSHIP PROGRAM

The Foundation maintains a center in Cassis, France for the benefit of scholars and creative artists who wish to pursue projects in French studies. The Foundation offers, at no cost, a dozen furnished apartments, a reference library, an artist's studio, a composer's studio, and a photographer's darkroom. The Camargo award is strictly a residential grant; therefore, no stipends are available. The normal term of residence is one semester (early September to mid-December or mid-January to 31 May), precise dates being announced each year. Applicants may include university and college faculty who intend to pursue special studies while on leave from their institutions; secondary school teachers benefiting from a leave of absence in order to work on some pedagogical or scholarly project; graduate students whose academic residence and general examination requirements have been met and for whom a stay in France would be beneficial in completing the dissertation; visual artists, composers, writers, and photographers with specific projects to complete. Because of the limited number of studios, only one artist, one photographer, and one musician can be accepted each semester. Applicants from all countries are welcome.

Application deadline is March 1  
for the following academic year.
