

## BINDING ARRANGEMENTS FOR THE JOURNAL 1993

It has again been possible to arrange for back issues of the Journal to be bound for members and other subscribers by Newcastle University Library Bindery. Back issues of Volumes I or II may be bound. There is an order form enclosed with this issue of the Journal, that is the first issue for volume III. Any missing back numbers may also be ordered on this form.

Individual back numbers will cost £7.50 each. Binding will include a copy of the index and assorted tables and will be available at the special rate of £15 a volume up until the end of the Societies' residential conference at Ripon on 25 April 1993. Please note that arrangements for ordering the index and tables for Volume II by themselves will be available later. Members wishing to have their copies of the Journal bound are invited to send in their application forms early if possible and not wait until the conference. Those sent in early will, hopefully, be returned quicker.

Please note that this offer is not available to subscribers in North America who are not members. They may obtain back numbers and copies of the index and tables from Wm. W. Gaunt & Sons Inc. Law Book Dealers and Subscription Agents, Gaunt Building, 3011 Gulf Drive, Holmes Beach, Florida 34217-2199, USA.

We would be grateful if any overseas members and overseas subscribers other than in North America would add with their order forms the cost of postage in respect of each volume; £8.00 for North America; £2.50 for Europe; £11.00 for Australasia and the Far East.

For further details on binding please contact David Harte, Newcastle Law School, 21-24 Windsor Terrace, The University of Newcastle Upon Tyne, NE1 7RU.
