AGRONOMY JOURNAL

Agronomists throughout the world have found the *Agronomy Journal*, monthly publication and official organ of the American Society of Agronomy, a source of up-to-date reports on agronomic research. Workers in the fields of forages and pastures, small grain improvement, corn, fibre crops and legumes, cultural practices, and soil fertility, as well as closely allied fields of investigation find articles of lasting interest in the *Agronomy Journal*. Publication is open to members of the American Society of Agronomy.

Non-member subscriptions:

\$14.00 per year, U.S. and Canada.

\$15.00 per year elsewhere.
