

Erratum

The following acknowledgments were left out of “Producing a Robust Body of Data with a Single Technique” (in vol. 77, no. 3, July 2010): Special thanks to Carl Craver, Kent Staley, Thomas Sattig, and the Washington University in St. Louis Philosophy of Science Co-op for feedback on earlier drafts; to Paul Anderson and Lilla Vekerdý of the Bernard Becker Medical Library for research assistance; and to the Washington University Center for the Study of Ethics and Human Values for grant support.
