* * *

ROYAL COLLEGE OF SURGEONS OF ENGLAND.

The John Hunter Medal and Triennial Prize for 1928-30 has been awarded to Mr. T. B. Layton, D.S.O., of Guy's Hospital, for his contributions to Otology and for his valuable services to the Museum, particularly in connection with the Onodi Collection.

* * *

The Semon Lecture for 1931 will be given by Mr. W. D. Harmer. The subject will be "The Relative Value of Radiotherapy in the Treatment of Cancers in the Upper Air Passages."

Peroral Endoscopy Table

Designed and built at Chiron Works for King's College Hospital

This table is arranged for nasal and aural operations as well as for endoscopic work.

The back rest is adjustable from the dependant position shown in the illustration to one nearly at right angles to the top of the table for nasal operations, in which case a suitable head rest is attached.

The table is adjustable in height and can be tilted in either direction and is absolutely rigid in any position. Further particulars furnished on request.
