# The Harvard Academy for International and Area Studies

## The Harvard Academy Scholars Program 2012-2013

The Academy Scholars Program identifies and supports outstanding scholars at the start of their careers whose work combines disciplinary excellence in the social sciences (including history and law) with a command of the language, history, or culture of non-Western countries or regions. Their scholarship may elucidate domestic, comparative, or transnational issues, past or present.

The Academy Scholars are a select community of individuals with resourcefulness, initiative, curiosity, and originality, whose work in non-Western cultures or regions shows promise as a foundation for exceptional careers in major universities or international institutions. Harvard Academy Scholarships are open only to recent Ph.D. (or comparable professional school degree) recipients and doctoral candidates. Those still pursuing a Ph.D. should have completed their routine training and be well along in the writing of their theses before applying to become Academy Scholars; those in possession of a Ph.D. longer than 3 years at the time of application are ineligible.

Academy Scholars are appointed for 2 years by the Harvard Academy for International and Area Studies and are provided time, guidance, and access to Harvard University facilities. They receive substantial financial and research assistance to undertake sustained projects of research and/or acquire accessory training in their chosen fields and areas. Some teaching is permitted but not required. The Senior Scholars, a distinguished group of senior Harvard University faculty members, act as mentors to the Academy Scholars to help them achieve their intellectual potential.

Post-doctoral Academy Scholars will receive an annual stipend of \$56,000, and pre-doctoral Academy Scholars will receive an annual stipend of \$28,000. Applications for the 2012-2013 class of Academy Scholars are due by **October 1, 2011**. Finalist interviews will take place in Cambridge on **December 9**. Notification of Scholarships will be made in January, 2012. For complete information on how to apply visit: [www.wcfia.harvard.edu/academy](http://www.wcfia.harvard.edu/academy).

# Innovative Approaches to Anthropology

## FOCAAL JOURNAL OF GLOBAL AND HISTORICAL ANTHROPOLOGY

Editors: **Don Kalb**, *Central European University and Utrecht University*  
**Oscar Salemink**, *Free University Amsterdam*  
**Gavin Smith**, *University of Toronto*  
**Mathijs Pelkmans**, *London School of Economics*

*Focaal* is a peer-reviewed journal advocating an approach that rests in the simultaneity of ethnography, processual analysis, local insights, and global vision. It is at the heart of debates on the ongoing conjunction of anthropology and history as well as the incorporation of local research settings in the wider spatial networks of coercion, imagination, and exchange that are often glossed as 'globalization' or 'empire'.

Seeking contributions on all world regions, *Focaal* is unique among anthropology journals for consistently rejecting the old separations between 'at home' and 'abroad', 'center' and 'periphery'. The journal therefore strives for the resurrection of an 'anthropology at large', that can accommodate issues of post-socialism, mobility, capitalist power and popular resistance into integrated perspectives.
