
Note from the Editors

This is the first issue of volume 35 of the *Nordic Journal of Linguistics*. The *NJL* is the journal of the Nordic Association of Linguists. Individuals may subscribe to the *Journal* by joining the Nordic Association of Linguists. The NAL membership form can be found on the Cambridge University Press web site of the *NJL*, <http://journals.cambridge.org/NJL>, as well as on the NAL web site, <http://www.uef.fi/nal>.

As the *NJL* has had the same editors since 2001, the time seems right for a change. We will here follow a suggestion from our publishers, Cambridge University Press, about a gradual transition. Instead of an abrupt change from one editorial team to another, the *NJL* has added three associate editors to the team as of this issue, and then in 2014/2015, the present editors will step down, and the associate editors will become the new editors. We are therefore delighted to announce the new associate editors: Matti Miestamo (Stockholm), Gunnar Ólafur Hansson (Vancouver), and Marit Westergaard (Tromsø).

We also welcome three new members of the *NJL* editorial board: Johanna Barðdal (Bergen), Naja Trondhjem (Copenhagen), and John Tøndering (Copenhagen). These additions to the editorial board replace the three who are leaving the editorial board, Gunnar Ólafur Hansson and Marit Westergaard, as mentioned above, and also Michael Fortescue (Copenhagen). We would like to thank all three for their services to the journal.

We would like to remind our readers and potential contributors that there are three ways to contribute to the *NJL*: (longer) articles, short communications, and book reviews. We would very much like to encourage contributions to *NJL* within all three categories, including short communications, which are like articles in being peer-reviewed, but different from articles in that in such communications, it is possible to make or illustrate an empirical point without necessarily giving a fully-fledged and theoretically integrated analysis. Also, short communications are appropriate for comments on earlier publications in the *NJL*.

We are furthermore happy to announce that the issue 36.2 (2013) of the *Nordic Journal of Linguistics* will be a special issue devoted to Object Shift in the Nordic languages, edited by Maia Andréasson, Kristine Bentzen, and Elisabet Engdahl. For full details, see the call for papers immediately after this note.

Last, but not least: To all the reviewers who have reviewed papers for the *Nordic Journal of Linguistics* in the year 2011, we would like to express our heartfelt thanks for your time and effort (also on the part of the editors of the special issue on the Nordic languages and typology, Pål Kristian Eriksen & Camilla Wide). In addition to the members of our Editorial Board, these reviewers include:

Tor Áfarli (Trondheim), Henning Andersen (Los Angeles), Peter Andersson (Skövde), Maia Andréasson (Gothenburg), Mailin Antomo (Göttingen), Alastair Appleton (Cambridge/London), Arshia Asudeh (Ottawa), Peter Bakker (Århus), Kristine Bentzen (Tromsø), Kasper Boye (Copenhagen), Ken Ramshøj Christensen (Århus), Kristin Davidse (Leuven), Nicole Dehé (Berlin), Eva Engels (Århus), Bjørg Evjen (Tromsø), Þórhallur Eypórssón (Reykjavík), Ángel Gallego (Barcelona), Dagmar Haumann (Agder), Fabian Heck (Leipzig), Cecilia Hedlund (Uppsala), Vincent van Heuven (Leiden), Christian Heyde-Petersen (Odense), Martin Hilpert (Freiburg), Anders Holmberg (Newcastle), Kyle Johnson (Amherst), Kerstin Jonasson (Uppsala), Mark Jones (London), Jóhannes Gísli Jónsson (Reykjavík), Jacqueline van Kampen (Utrecht), Gjert Kristoffersen (Bergen), Ida Larsson (Stockholm), Arne Martinus Lindstad (Oslo), Line Mikkelsen (Berkeley), Åshild Næss (Oslo), Bjarne Ørsnes (Copenhagen), Maija Peltola (Turku), Kjell-Johan Sæbø (Oslo), Christine Meklenborg Salvesen (Oslo), Lynn Santelmann (Portland), Kirsti Siitonen (Turku), Thora Tenbrink (Bremen), Torben Thrane (Århus), Reiko Vermeulen (Gent), and Vera Wilhelmsen (Uppsala).
