FUTURE PROOF?

Harry used to fit this bed, but now it's too small for him. Sometimes he tries to turn over, but forgets to remove his feet from the bars - painful!

It is easy to buy a library management system that fits at the time, only to outgrow it sooner or later. Heritage IV provides everything that a user requires at the start, but also anticipates what will be needed in the future; quite simply, it grows with you. So how is this possible? Answer, through intelligent design from a solid, reliable company with over twenty years of library software experience.

Make the right decision, *look closer* at Heritage IV. A solution with a proven pedigree offering exceptional scope for growth and value for money. For your free information pack, visit our website, or call us today.
