TABLE OF CONTENTS

Generic trees. By OTMAR SPINAS	705
Degree theoretic definitions of the low ₂ recursively enumerable sets. By ROD DOWNEY and RICHARD A. SHORE	727
The finite model property in tense logic. By FRANK WOLTER	757
Perfect extensions and derived algebras. By HAJNAL ANDRÉKA, STEVEN GIVANT, and ISTVÁN NÉMETI	775
Defining multiplication in o-minimal expansions of the additive reals. By ROBERT J. POSTON	797
On o-minimal expansions of Archimedean ordered groups. By MICHAEL C. LASKOWSKI and CHARLES STEINHORN	817
A solution to the completeness problem for weakly aggregative modal logic. By PETER APOSTOLI and BRYSON BROWN	832
Canonical forms for definable subsets of algebraically closed and real closed valued fields. By JAN E. HOLLY	843
Pretopologies and completeness proofs. By GIOVANNI SAMBIN	861
A special class of almost disjoint families. By THOMAS E. LEATHRUM	879
Some questions concerning the cofinality of Sym(κ). By JAMES D. SHARP and SIMON THOMAS	892
Separably closed fields with higher derivations I. By MARGIT MESSMER and CAROL WOOD	898
A sheaf representation and duality for finitely presented Heyting algebras. By SILVIO GHILARDI and MAREK ZAWADOWSKI	911
Superatomic Boolean algebras constructed from morasses. By PETER KOEPKE and JUAN CARLOS MARTÍNEZ	940
Tailoring recursion for complexity. By ERICH GRÄDEL and YURI GUREVICH	952
Expressibility of properties of relations. By HAJNAL ANDRÉKA, IVO DÜNTSCH, and ISTVÁN NÉMETI	970
A model in which every Boolean algebra has many subalgebras. By JAMES CUMMINGS and SAHARON SHELAH	992
Reviews.....	1005

THE JOURNAL OF SYMBOLIC LOGIC (ISSN 0022-4812) is published quarterly, in the months of March, June, September, and December, by the Association for Symbolic Logic, Inc., at 1325 South Oak Street, Champaign, IL 61820, U.S.A. Second class postage is paid at Champaign, IL and additional offices. The JOURNAL is distributed with THE BULLETIN OF SYMBOLIC LOGIC; the 1995 annual subscription price for the two journals is \$230. Postmaster: Send address changes to *The Journal of Symbolic Logic, Journals Division UIP, 1325 South Oak Street, Champaign, IL 61820, U.S.A.* Business correspondence should be sent to the Secretary-Treasurer of the Association, C. Ward Henson (address on inside back cover).

The JOURNAL and the BULLETIN are the official organs of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are \$48, or \$24 for students. Dues include subscriptions to the current volumes of the JOURNAL and the BULLETIN. For their personal use, members may purchase back volumes at a discount. Persons wishing to subscribe to the JOURNAL for their individual use without becoming Association members should write to the Secretary-Treasurer.
