Classical Studies

Books and Journals from
Cambridge University Press

Cambridge is one of the world's leading publishers of research in classical studies, with a list that covers all aspects of enquiry into the ancient world.

Our books are at the forefront of the discipline and have been recognised for their broad-ranging, thought-provoking scholarship.

Our publishing spans the full range of classical enquiry and pedagogy: critical editions of ancient texts, commentaries, literary and historical analysis, classical archaeology, theoretical perspectives, reception studies, course texts, companions and source books.
