GENETICAL RESEARCH (ISSN 0016-6723) is published bimonthly in February, April, June, August, October and December. Three parts form a volume. The subscription price (excluding VAT) of volumes 67 and 68, 1996 is £91.00 net per volume (in USA, Canada and Mexico US \$162.50). Single parts £32.00 net (in USA, Canada and Mexico US \$57.00), plus postage. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Prices include delivery by air.

Periodicals postage paid at New York, NY, and at additional mailing offices. POSTMASTER: send address changes in USA, Canada and Mexico to *Genetical Research*, Cambridge University Press, 110 Midland Avenue, Port Chester, New York, NY 10573-4930.

Orders which must be accompanied by payment, should be sent to a bookseller, subscription agent, or to the publishers, Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 2RU, UK and, in the USA, Canada and Mexico, Journals Department, 40 West 20th Street, New York, NY 10011-4211. Japanese prices for institutions are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo 156, Japan.

Copying: This journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923. Organizations in the USA who are also registered with the C.C.C. may therefore copy material (beyond the limits permitted by sections 107 and 108 of US copyright law) subject to payment to C.C.C. of the per-copy fee of \$11.00. This consent does not extend to multiple copying for promotional or commercial purposes. Code 0016-6723/96 \$11.00+.10. Organizations authorized by the Copyright Licensing Agency may also copy material subject to the usual conditions.

ISI Tear Sheet Service, 3501 Market Street, Philadelphia, Pennsylvania 19104, USA is authorized to supply single copies of separate articles for private use only.

For all other use, permission should be sought from Cambridge or the American Branch of Cambridge University Press.

Information on *Genetical Research* and all other Cambridge journals can be accessed via <http://www.cup.cam.ac.uk/> and in North America via <http://www.cup.org/>.
