## 1980 Supplement to the Digest of Bar Association Ethics Opinions

Edited by **Olavi Maru**

An updating through 1980 of the *Digest of Bar Association Ethics Opinions* and its 1970 and 1975 Supplements. Includes opinions from bar associations that did not appear in the original *Digest* or *Supplements*.

ix + 835 pp./1982  
Cloth: \$50.00 + \$2.50 for shipping and  
handling

The 1980 SUPPLEMENT not only makes this series as up-to-date as possible, but its 209-page index provides a comprehensive listing to the approximately 13,200 opinions of the 63 bar associations reported in the *Digest* and all its supplements. This index is prepared in accordance with generally recognized methods of indexing, assuring that it can be used without special instructions. Some parts of this index differ radically from the indexes in previous volumes to reflect changes in the law. This is true principally of the headings "Advertising" and "Solicitation of Business" and some related headings. The revision of these headings was necessitated in the main by changes brought about by U.S. Supreme Court decisions in *Bates v. State Bar of Arizona*, 433 U.S. 350 (1977); *Ohralik v. Ohio State Bar Association*, 436 U.S. 447 (1978); *In re Primus*, 436 U.S. 412 (1978); and to a lesser degree earlier Supreme Court decisions that have affected the providing of group legal services.
