Uncivil Rights

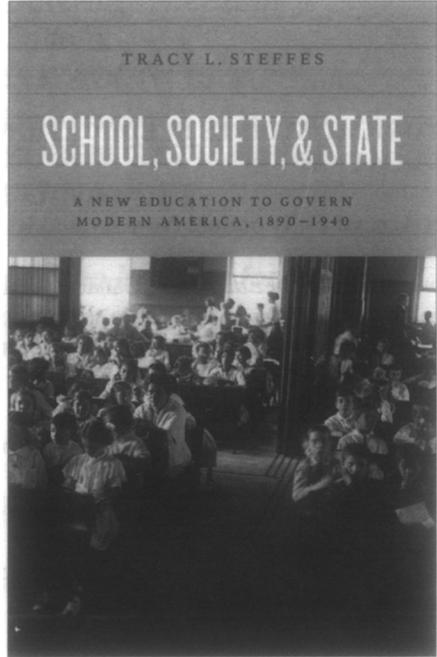

Teachers, Unions, and Race in the Battle for School Equity

Jonna Perrillo

“Uncivil Rights offers a highly original, bold analysis of one of the most complex tensions in the history of urban education: teachers’ struggles for professional agency and black parents’ pursuit of civil rights through quality education. . . . A must-read for anyone concerned with school reform.”

Barbara Beatty, Wellesley College

School, Society, and State

A New Education to Govern Modern America, 1890–1940

Tracy L. Steffes

“How did Americans develop a school system that was both national in scope and local in character? In this remarkable book, Tracy Steffes provides some bold new answers to a very old question.”

Jonathan Zimmerman, New York University
