## COMPARATIVE STUDIES IN SOCIETY AND HISTORY

ISSN 0010-4175

Founded by Sylvia L. Thrupp

*Comparative Studies in Society and History* is a forum for new research and interpretation concerning problems of recurrent patterning and change in human societies through time and in the contemporary world. It sets up a working alliance among specialists in all branches of the social sciences and humanities. Review articles and discussions bring readers into touch with current findings and issues.

### NOTES FOR CONTRIBUTORS

CSSH welcomes submissions. Essays should be written in such a way that complex issues are made intelligible and appealing to erudite readers who are not specialists in the subject under investigation. The editors prefer essays that are concise and will not accept for review essays over 14,000 words, including notes, references, and abstracts. Include an abstract of no more than 250 words that gives a concise description of the hypothesis, methodology, key sources, and conclusions. Include a list of up to ten keywords, expressing the precise content of the manuscript. Authors of essays accepted for publication must secure and submit permissions to reproduce any photographs or other illustrations and tables.

For the procedures for preparing and submitting manuscripts for review, go to <https://cssh.lsa.umich.edu/guidelines/>
