

CALL FOR PAPERS--FMA ANNUAL MEETING

The fourth Annual Meeting of the Financial Management Association will be held on October 24-26, 1974, at the Sheraton-Harbor Island Hotel in San Diego, California. The Association's objectives consist of (1) the advancement of knowledge in the area of the financial management of business, non-profit, and governmental organizations, and (2) the provision of a vehicle for the interchange of ideas and experiences between the practicing financial manager and his academic counterpart. The Annual Meeting is a key element in this process.

The program for the meeting will run from Thursday afternoon through Saturday morning and include not only sessions devoted to the formal presentation and evaluation of papers, but also a series of panel discussions and workshops covering a variety of financial managerial issues. Each such session will be designed to include both academicians and practitioners as participants. To that end, both members and non-members of the Association are invited to submit abstracts of proposed papers for review. The abstracts should be no longer than three double-spaced typewritten pages, and should be preceded by a cover page listing the paper's title, the name(s) of the author(s), and the address(es) and telephone number(s) of the author(s). They should be mailed to:

Professor Wilbur G. Lewellen
Chairman, FMA Program Committee
Sloan School of Management
Massachusetts Institute of Technology
50 Memorial Drive
Cambridge, Massachusetts 02139

The deadline for submission is March 1, 1974. In addition, individuals who do not wish to present a formal paper, but who would like to act as discussants for papers in a particular area--or who desire to organize a panel or workshop session dealing with a specific topic--are invited to submit that information as well, also the above address. Selected papers from the program will be published in the journal of the Association, *Financial Management*.
