

**WORLD ASSOCIATION FOR THE ADVANCEMENT
OF VETERINARY PARASITOLOGY**

The Association will hold its Seventh International Conference at Thessaloniki, Greece on 14—16 July, 1975, immediately after the XX World Veterinary Congress.

The theme of the Conference is on **Pathophysiology of Parasitic Infections** but there will also be a **General Session on Advances in Parasitology**.

Titles and abstracts of papers should be submitted before April 1, 1975, to the Chairman of the Programme Committee:—

Professor E. J. L. Soulsby
Department of Pathobiology, School of Veterinary Medicine
University of Pennsylvania
3000 Spruce Street
Philadelphia, Pennsylvania 19104, U.S.A.

Preregistration and any inquiries about organization and social programme should be sent to the local Chairman:—

Professor C. A. Himonas
Head of the Department of Applied Helminthology and Entomology
Faculty of Veterinary Medicine
Aristotelian University, Thessaloniki, Greece.
