Wiley's Corporate Citizenship initiative seeks to address the environmental, social, economic, and ethical challenges faced in our business and which are important to our diverse stakeholder groups. Since launching the initiative, we have focused on sharing our content with those in need, enhancing community philanthropy, reducing our carbon impact, creating global guidelines and best practices for paper use, establishing a vendor code of ethics, and engaging our colleagues and other stakeholders in our efforts.

The History of Education Society is an international scholarly society. Its purposes are to encourage and facilitate research in the history of education; to promote and improve the teaching of history of education; to encourage cooperation among specialists in history of education; and to promote an appreciation of the value of historical perspective in the making of educational policy. The Society is affiliated with the International Standing Conference for the History of Education, and members of the Society are automatically members of the Standing Committee.
