

This wonderful medicine was discovered by Dr. J. Collis Browne (late Army Medical Staff), and the word Chlorodyne coined by him expressly to designate it. There has never been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness. Dr. J. Collis Browne's Chlorodyne is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.
