ROYAL AERONAUTICAL SOCIETY

The RAeS Library's photographic collections

The Royal Aeronautical Society's Library holds a very extensive photographic/glass lantern slide/lithographic collection of aviation images (over 100,000), from the early days of ballooning through to the modern technology aircraft, missiles and rockets of today, including a number of portrait photographs of aviation personalities. Prints from the collection can be supplied to members and non-members on a fee basis for reproduction in books, journals, CD-ROMs, Internet sites, lecture slides or for use as presentation prints.

All enquiries regarding the Library should be addressed to: Brian Riddle, Librarian, Royal Aeronautical Society, 4 Hamilton Place, London W1J 7BQ, UK. Tel: +44 (0)20 7670 4362. Fax: +44 (0)20 7670 4359. e-mail: brian.riddle@raes.org.uk.

58th Oxford Air Transport Course

2-10 April 2001

Eynsham Hall, near Oxford

A new more concentrated eight-day course is being launched in 2001 to meet the needs of our customers in the air transport industry. It will cover technology, law, economics and management subjects and will emphasise the international nature of the industry.

Speakers include senior representatives from Airbus Industrie, Boeing, British Airways, CAA, United Airlines, as well as senior lecturers from leading academic institutions and international organisations.

Who should attend?

The course is of special benefit to those who have recently joined the managerial ranks and are seeking a broader knowledge of the industry.

Venue

The course is residential and is held in a purpose built conference and training facility situated in its own grounds, some 20 minutes from Oxford. Registration fee to include tuition, accommodation and food is £2,950 (inc VAT at current rate).

For further details please contact Christine Philbin, Course Manager, Royal Aeronautical Society, 4 Hamilton Place, London W1J 7BQ, UK. Tel: +44 (0)20 7670 4341, Fax: +44 (0)20 7670 4349, e-mail: christine.philbin@raes.org.uk
