

NOTICE TO AUTHORS

Latin American Antiquity publishes original papers on the archaeology, prehistory, and ethnohistory of Latin America, i.e., those countries—primarily Spanish speaking—comprising Mesoamerica, Central America, and South America, together with culturally affiliated adjacent regions. Authors submit manuscripts to the editor for consideration as ARTICLES or REPORTS in English, Spanish, or Portuguese. Authors should submit an original and three copies of their manuscripts (including all figures, tables, references, and notes), along with an abstract in both English and Spanish. Detailed information on policy, style, and technical matters of manuscript preparation is given in the “Editorial Policy, Information for Authors, and Style Guide for American Antiquity and Latin American Antiquity,” which appeared in September 1992 (vol. 3, no. 3). For additional information, updates, or clarification, consult the managing editor at the SAA office in Washington, D.C.
