## Erratum

### Post-tonsillectomy pseudoaneurysm: an underestimated entity? – Erratum

J P WINDFUHR, A M SESTERHENN, G SCHLOENDORFF, B KREMER

doi:10.1017/S002221510999185X, Published by Cambridge University Press, IX Month 2009.

This article<sup>1</sup> was published with three errors, as follows.

(1) On the first page, the second author's affiliation should have read 'Philipps University of Marburg, Marburg, Germany'.

(2) Also on the first page, the second paragraph of the Patients and Methods section should have read 'A similar review concerning neurological lesions was previously undertaken by the authors.'<sup>10</sup> A new reference 10 should have appeared in the Reference list, reading '10 Windfuhr JP, Schloendorff G, Sesterhenn AM, Kremer B. From the expert's office: localized neural lesions following tonsillectomy. *Eur*

*Arch Otorhinolaryngol* 2009 Oct;266(10):1621–40. Epub 2009 Jan 31. All subsequent references should have been renumbered one greater, in both the text and the reference list.

(3) On the second page, the first sentence of the Results section should have begun 'We analysed the data of...'
