Editorial Board Mission Statement and Aims

Mission Statement

Legal Information Management is the principal journal for library and information professionals in the field of legal information management in the UK and Ireland

Aims

- To focus on the needs of British and Irish law librarians and legal information professionals
- To raise the profile of BIALL
- To be **the** platform for current developments in legal information management

Objectives

- To increase the appeal of the journal by offering a mix of ideas and subjects
- To be a means of continuing professional development for legal information professionals through the range of articles covered
- To provide a balanced coverage of areas of interest to different groups of members
- To ensure that the journal is cross-jurisdictional in coverage
- To ensure that the journal includes an international outlook
- To provide refereed articles
- To be a means of communication between and with members and Committees within BIALL and with organisations outwith BIALL
