Tragedy in Athens

Performance Space and Theatrical Meaning

David Wiles

This book examines the performance of Greek tragedy in the classical Athenian theatre. It treats plays as events in space and time, and demonstrates how Greek conceptions of theatrical space differed from those of the modern world.

The Chekhov Theatre

A Century of the Plays in Performance

Laurence Senelick

This is the first cross-cultural study of Chekhov's plays in production and the only book in any language to cover the staging of Chekhov throughout the world from the 1880s to the present day. Particular attention is given to stagings and reception in Russia both before and after the Revolution, in the English-speaking world, in Europe, and Japan.
