Printed by Cushing-Malloy, Inc., Ann Arbor, Michigan, U. S. A.

The Journal of the Australian Mathematical Society began publication in 1959, and from 1975 has appeared in two series, Series A (Pure Mathematics and Statistics) and Series B (Applied Mathematics). Information about Series B may be found on the inside back cover.

Series A, Pure Mathematics and Statistics

Submission of research papers in pure mathematics and mathematical statistics is invited. Authors intending to submit papers for publication should prepare the typescript following the instructions on the back cover of this issue, and should send two complete copies to the Editor, or to an appropriate Associate Editor.

Six parts are planned for 1981, consisting of parts 3 and 4 of Volume 30 and all four parts of Volume 31. The price to non-members will be A\$90; to ordinary members will be A\$15.
