# Australian Journal of Environmental Education

The *Australian Journal of Environmental Education* is an international refereed journal that publishes papers and reports on all aspects of environmental education. It is the journal of the Australian Association for Environmental Education. It is produced in order to present information and argument that will stimulate debate about educational strategies that enhance the kinds of awareness, understanding and actions that promote environmental and social justice. The journal is addressed to educators working in any educational setting where these matters are centrally or peripherally considered.
