

UNIVERSITY OF CAPE TOWN

Applications are invited for a SENIOR LECTURESHIP IN GEO-CHEMISTRY in the Department of Mineralogy and Geology.

The commencing salary (within the scale £1,200 × £50—£1,500 per annum) will be determined according to the qualifications and experience of the successful candidate. The appointment will be made on a temporary basis for a period of five years, during which the establishment of a permanent post will be considered. There is also a temporary cost of living allowance for a married man (at present £234 per annum).

Applications should state age, qualifications and experience, and research work completed or in progress, and give the names of at least two referees whom the University may consult.

Two copies of the application should reach the Secretary, Association of Universities of the British Commonwealth, 36 Gordon Square, London, W.C. 1 (from whom a memorandum giving the general conditions of appointment and information on the work of the Department should be obtained) not later than 30th September, 1957. An additional copy should be sent direct by airmail to reach the Registrar, University of Cape Town, Private Bag, Rondebosch, Cape Town, South Africa, by the same date.

The University reserves the right to appoint a person other than one of the applicants or to make no appointment.

AUCKLAND UNIVERSITY COLLEGE

(UNIVERSITY OF NEW ZEALAND)

Applications are invited for a LECTURESHIP IN GEOLOGY.

The salary scale for the position is £1,025 per annum, rising to £1,275 by three annual increments.

An allowance is made towards travelling expenses.

Further particulars and information as to the method of application may be obtained from the Secretary, Association of Universities of the British Commonwealth, 36 Gordon Square, London, W.C. 1.

The closing date for the receipt of applications, in New Zealand and London, is 15th September, 1957.
