## **OUT OF ASIA:**

### **Peopling the Americas and the Pacific**

Editors: Robert Kirk & Eموke Szathmary

A collection of 12 papers drawing together recent genetic evidence with that from archaeology, anthropology and linguistics, to throw light on two of the major human migrations which have long excited interest and controversy. A book of importance to all students of the Americas and the Pacific.

Copies can be obtained from The Journal of Pacific History, Research School of Pacific Studies, Australian National University, Canberra, Australia 2601, price A\$18.50 each plus postage (surface mail \$1.75, airmail \$6.00). Cheques should be made payable to The Journal of Pacific History. Please pay in Australian currency. If payment is made in other currencies add \$5.00 for bank charges.
