Creating healthy  
tomorrows...  
for one child,  
for All Children.

[www.allkids.org](http://www.allkids.org)

All Children's Hospital in St. Petersburg, Florida has been dedicated to children's unique medical needs since 1926. Our new 259-bed hospital provides the full spectrum of pediatric cardiac care, from the unborn child through adults with congenital heart disease. With nearly one-million square feet in our new hospital and adjoining Outpatient Care Center, we offer:

- 2 dedicated Cardiac Operating Suites
- 2 OR-capable Catheterization Labs
- Interventional Radiology Lab
- 22-bed Cardiovascular Intensive Care Unit
- Cardiac surgery & heart transplantation
- Cardiac MRI
- Perinatal cardiology & echocardiography
- Neonatal & pediatric cardiology
- Clinic for adults with congenital heart disease
- Outpatient Cardiology & Diagnostic Services
- Network of regional outpatient centers

**Physician Access Line:**  
**877-222-0404 (toll-free)**

# Journal of Developmental Origins of Health and Disease

Published in association with the International  
Society for Developmental Origins of Health and  
Disease

## Editor-in-Chief

Michael G. Ross, *Los Angeles Biomedical Research Institute at Harbor-  
UCLA Medical Center, USA*

A multi-disciplinary journal linking basic science to applied science; focusing on how the environment during early animal and human development, and interactions between environmental and genetic factors, influence health and risk of disease in later life. The journal publishes original research articles, short communications, reviews, and regular themed issues, with guest editors.

## Advancing research. Increasing access.

Informed by detailed consultation with the library and research communities, we are constantly developing our industry-leading online journals platform.

Some recent advances include:

- **Refreshed site design**, facilitating rapid access to the most relevant content.
- **New advanced search interface** and a more detailed, fielded quick search function.
- **Enriched content** in the form of multimedia companions and editorial blogs.
- **The launch of Cambridge Open Option**, our open access initiative.

Visit [journals.cambridge.org/openoption](http://journals.cambridge.org/openoption) for more information.
