Advances in Animal Biosciences

This book is part of a series which is a companion to the journal ANIMAL

ASF
Animal Science Forum

The Proceedings of the British Society of Animal Science constitute summaries of papers presented at the Society's Annual Conference, Healthy Food from Healthy Animals, held in Nottingham UK, 24-25 April 2012

The meeting was organised jointly with the Animal Science Forum and the Association for Veterinary Teaching and Research Work whose papers are incorporated.

The summaries have been edited. Views expressed in all contributions are those of the authors and not those of the BSAS, ASF or AVTRW.

This publication contains all the summaries that were available at the time of going to press.
