EPA 2019 NEW REGISTRATION FEE STRUCTURE

The most affordable way to attend the congress yet.

Following fruitful discussions with EPA National Psychiatric Associations and past congress participants, EPA 2019 is proud to present a **new registration fee structure**. This revised structure will more accurately reflect the economic situation in each country by adapting the World Bank classifications and offering additional discounts to participants from relevant economies.

The new registration fee structure along with the Early Bird Registration Savings offers you the most affordable way to attend the European Congress of Psychiatry yet.

EPA 2019 will take place **6-9 April 2019 in Warsaw**. You will be truly fascinated by the history and atmosphere of Warsaw, which combines the influences of Western and Eastern Europe.

HIGH-QUALITY EDUCATION COURSES

The European Congress of Psychiatry will serve the educational mission of the EPA by providing high-quality education courses, covering all aspects of psychiatry and presenting advanced material on a chosen topic of practical relevance.

Don't forget that EPA Members who register for a course receive the **second course entry for free**.

Space is limited, register for your course of choice today on the EPA 2019 website.
