In the article by Winchell (2020), the text titled *Mitanaje y Yanaconaje* was attributed to the wrong author. The correct author is Fausto Reinaga. The citation of the text should read as follows: “Under MAS, historical works describing the violence of hacienda bondage were popularized in the state printing and recirculation of key texts such as Fausto Reinaga’s *Mitanaje y Yanaconaje* (Goodale 2019).”
