# Journal of Developmental Origins of Health and Disease

Published in association with the International  
Society for Developmental Origins of Health and  
Disease (DOHaD)

## Editor-in-Chief

Michael G. Ross, *Los Angeles Biomedical Research Institute at Harbor-  
UCLA Medical Center, USA*

A multi-disciplinary journal linking basic science to applied science; focusing on how the environment during early animal and human development, and interactions between environmental and genetic factors, influence health and risk of disease in later life. The journal publishes original research articles, short communications, reviews, and regular themed issues, with guest editors.
