

The Greek Heritage in Victorian Britain

Frank M. Turner

An important new study that seeks to establish what Victorian writers said about Greek culture and how their interpretations both molded and reflected the attitudes and values of the Victorian age.

"In so many ways—the discussions of Arnold, Grote, Gladstone, Pater to name just a few—Turner shows us how Victorian intellectuals, writers, politicians used the Greeks.... Clearly an important contribution."—*Peter Stansky*

Coram's Children

The London Foundling Hospital in the Eighteenth Century

Ruth K. McClure

This gracefully written, superbly researched account of the world's first incorporated charity describes its disastrous four-year alliance with Parliament, and its day-to-day operations during its first sixty years. A study in microcosm of the world of eighteenth-century England, this fascinating account sheds new light on such issues as poverty, morals and manners, and the role of women. \$27.50

Horace Walpole's Miscellaneous Correspondence

The Yale Edition of Horace Walpole's Correspondence, Volumes 40-42

edited by W. S. Lewis and John Riely, with the assistance of Edwine M. Martz and Ruth K. McClure

These are the final volumes (except for a forthcoming index) in this definitive edition of Walpole's letters, described as "one of the most remarkable literary monuments of our time." —*J.H. Plumb, The New York Times Book Review* Illus. 3-vol. set \$120.00
