Politics & International Relations

Books and Journals from
Cambridge University Press

The politics list at Cambridge is one of unparalleled quality and range.

Our books list routinely tops surveys of political scientists for the calibre of its output, which includes field-defining series such as Cambridge Studies in Comparative Politics, Cambridge Studies in International Relations and Cambridge Texts in the History of Political Thought.

American Political Science Review and *International Organization* are widely recognised as the leading generalist journals in political science and international relations, while the likes of *British Journal of Political Science* and *World Politics* remain essential reading for researchers worldwide.

For students and scholars across the breadth of political enquiry, Cambridge is the resource of choice.

whynotmoderation](https://cambridge.org/whynotmoderation)

"...overdue, well-researched, witty and robust defense of the ideas of those of us – a plurality – who aren't represented by those partisan extremists with outsized influence."

MICHAEL SMERCONISH, SiriusXM and CNN host

"Whether you're tempted by the extremes or looking to maintain your equilibrium through the ideological turbulence of our times, the book is invaluable."

DAMON LINKER writes the subscription newsletter
Eyes on the Right at Substack

"If you're exhausted by apocalyptic rhetoric, radical posturing, and "Flight 93" politics, you'll find in this learned, practical, and witty book the manual to I and the plane."

JONATHAN RAUCH, Brookings Institution

"Aurelian Craiutu's book confronts the trend of disagreement and offers new, insightful takes on moderation that could strengthen our political system and reverse the fractioned path we're headed down."

LEE H. HAMILTON

Law

Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.

Economics

Books and Journals from Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

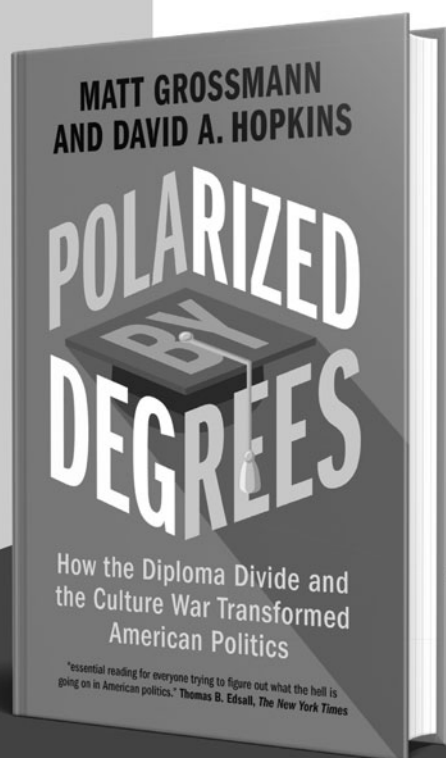

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.

“If you don’t understand the role that educational attainment plays in American politics, you can’t understand American politics. Nowhere have I seen this phenomenon better analyzed, explained and deconstructed than *Polarized by Degrees*.”

Amy Walter,
Publisher and Editor-in-Chief, *The Cook Political Report*
