Adolescent Development and Legal Policy

Double Jeopardy

*Adolescent Offenders with
Mental Disorders*

Thomas Grisso

With a Foreword by **Franklin E. Zimring**

“Thomas Grisso has the authority of a scholar working at the height of his powers. With penetrating insights expressed in uncluttered prose, *Double Jeopardy* illuminates the way forward for both clinicians and lawyers when they confront offenders who are not just very young, but also very disordered. A tour de force if I’ve ever read one.”

—John Monahan, University of Virginia

An American Travestry

*Legal Responses to Adolescent
Sexual Offending*

Franklin E. Zimring

With a Foreword by **Francis A. Allen**

“*An American Travestry* is an entirely original work. Until this book, there had been no systematic treatment in the literature of adolescent sexual offenders or the appropriate legal and policy responses. Clear, readable, succinct, and provocative, *An American Travestry* will fill a gaping void in juvenile justice and criminal policy.”—Barry C. Feld, School of Law, University of Minnesota

Lincoln's Constitution

Daniel Farber

"Farber does not limit his defense of Lincoln to technicalities. He stresses also Lincoln's character; his unique ability to combine a 'ruthless pragmatism and a fidelity to principle;' his moral judgment, courage, and humanity; his 'unshakeable determination combined with a shrewd sense of reality.'"

—Jeffrey Rosen, *New Republic*
