

CORRIGENDUM

Nourishing food, clean air and exercise: medical debates over environment and polar hygiene on Robert Falcon Scott's British National Antarctic expedition, 1901–1904 – CORRIGENDUM

Edward Armston-Sheret 

DOI: <https://doi.org/10.1017/mdh.2024.3>, Published by Cambridge University Press, 18 March 2024.

Keywords: Hygiene; exploration; Edwardian; polar; Antarctic; scurvy; corrigendum

The author apologises for an error in the published article. On the second page of the article, lines 7–8 contain an error. The sentence currently reads: “This vessel was manned by a slightly varying crew of just under forty officers, scientists and sailors.”

But it should read: “This vessel was manned by a slightly varying crew of just under fifty officers, scientists and sailors.”
