## The *ENCYCLOPEDIA* of the **UNITED NATIONS** AND INTERNATIONAL AGREEMENTS

### Outstanding Reviews

#### Javier Pérez de Cuéllar, Secretary General of the United Nations

"The range of United Nations' activities is so broad that it is difficult to obtain an accurate and comprehensive picture of what has been, and is being done, to resolve conflict, to strengthen the prospects of peace and to improve the conditions of human existence ... a formidable accomplishment ... a ready source of information and a tool for research ..."

#### The New York Times, October 23, 1985

The encyclopedia, which coincides with the 40th anniversary of the United Nations, is described by scholars and diplomats as one of the most valuable books ever published about the organization.

#### Development Forum of the UN
