An internationally renowned scholar now probes the mysterious relationship between biology and culture...

Fighting for Life

Contest, Sexuality, and Consciousness

By WALTER J. ONG

What accounts for the popularity of the macho image, the fanaticism of sports enthusiasts, and the perennial appeal of Don Quixote's ineffectual struggles? In *Fighting for Life*, Walter J. Ong addresses these and related questions, demonstrating the importance of contest in biological evolution and in the growth of consciousness out of the unconscious. (Coming in January) \$14.95
