The Causes of the English Civil War

CONRAD RUSSELL, *Cambridge University*

"Russell succeeds in a *tour de force* of accessible scholarship . . . Russell's vision of the civil war will henceforth be our ruling orthodoxy. His is a remarkable achievement." — *The Times (London)* In this study, Russell offers a compelling new analysis, bringing into focus fundamental religious and constitutional issues of vital importance to contemporaries but neglected by historians.

John Nelson, Merchant Adventurer

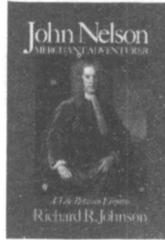

A Life Between Empires

RICHARD R. JOHNSON, *University of Washington, Seattle*

"This work represents the imaginative sleuthing, felicitous writing, and expansive overview we have come to expect from Richard Johnson. The author sets out 'to recover the life of a man' — John Nelson — and he succeeds with such empathy and such lucidity that it is hard to put the book down!"

— Alison Olson, *University of Maryland*

Public Life and Propertied Englishmen 1689-1798

PAUL LANGFORD, *Oxford University*

Offering a major reassessment of the place of the propertied class in eighteenth-century England, Langford explores the terrain which lay between the high ground of elite rule and the low ground of popular politics, and shows that the Georgians were more active in this arena than is generally appreciated.

Sleepless Souls

Suicide in Early Modern England

MICHAEL MacDONALD, *University of Michigan*, and TERENCE R. MURPHY, *American University, Washington, DC*

Studying the dramatic shift in attitude toward suicide from Tudor to Georgian England, MacDonald and Murphy relate changes in opinion and practice to the complex framework of life in early modern England — including political events, religious changes, philosophical fashions, and differing class interests.

1991 400 pp. \$89.00

Women Religious

The Founding of English Nunneries After the Norman Conquest

SALLY THOMPSON, *Executive Officer, London Churches Group*

This book traces the early history of the many convents founded after the Norman Conquest, and relates this expansion to the development of the new European religious orders. Thompson examines the poverty and difficulties faced by religious women, and explores the consequences of their dependence on men for practical and spiritual support.

1991 328 pp. \$49.95

The Protestant Crusade in Great Britain, 1829-1860

JOHN WOLFFE, *University of York*

An important contribution to our understanding of Victorian religion, Wolffe explores the cultural and social dimensions of anti-Catholicism, relating them to the values and impact of evangelicalism at a variety of social levels.

THE LONG ARGUMENT

English Puritanism and the Shaping of

New England Culture, 1570–1700

by Stephen Foster

Focusing on Puritanism as a cultural and political phenomenon as well as a religious movement, Stephen Foster examines its parallel development on both sides of the Atlantic and firmly places New England Puritanism within its English context. “Striking interpretations of English Puritanism and a fresh appraisal of the turmoil of the 1630s in New England. . . . This is a masterful work.”—David D. Hall

Studies in Imperialism

Edited by **John M. MacKenzie**

*Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as on the subordinate societies, **Studies in Imperialism** seeks to develop the new socio-cultural approach which has emerged through cross-disciplinary work on popular culture, media studies, art history, the study of education and religion, sports history and children's literature.*
