

## INDEX OF AUTHORS

	PAGE
ANDERSON, C. S. and DIBLE, HENRY J. Silicosis and carcinoma of the lung. (With Plates VIII and IX) . . . . .	185
ATKINSON, NANCY, <i>see</i> GREGORY, T. S. and ATKINSON, NANCY	
BARDSLEY, DORIS A. A comparison of two methods of assessing the number of different types of coliform organisms in water . . . . .	309
BARDSLEY, DORIS A. The bacterial content of ice-cream in relation to manufacture, storage and standards of purity . . . . .	527
BARDSLEY, DORIS A. A comparative study of coliform organisms found in chlorinated and non-chlorinated swimming bath water . . . . .	721
BAKER, AUDREY Z., <i>see</i> DRUMMOND, J. C.	
BARKWORTH, H. and IRWIN, J. O. Distribution of coliform organisms in milk and the accuracy of the presumptive coliform test. (With 1 figure in the text) . . . . .	446
BARTLETT, M. S., <i>see</i> DRUMMOND, J. C.	
BEATTIE, C. P. The incidence of brucellosis clinical and latent among various groups of the population . . . . .	260
BENDIXEN, H. C. and MINETT, F. C. Excretion of <i>Streptococcus pyogenes</i> in the milk of naturally infected cows. (With Plate XII) . . . . .	374
BHATNAGAR, S. S., SPEECHLY, C. G. J. and SINGH, M. A Vi variant of <i>Salmonella typhi</i> and its application to the serology of typhoid fever . . . . .	663
BOYD, Major J. S. K. The antigenic structure of the mannitol-fermenting group of dysentery bacilli. (With 2 figures in the text) . . . . .	477
BROCKINGTON, FRASER. The influence of the growing family upon the diet in urban and rural districts. (With 11 Graphs in the Text) . . . . .	40
BROCKINGTON, FRASER. Further observations upon the influence of the growing family upon the diet in rural districts in Sussex . . . . .	547
BRUNER, D. W., <i>see</i> EDWARDS, PHILIP R.	
BUCK, A. DE, <i>see</i> SWELLENGREBEL, N. H.	
BURTENSHAW, J. M. L. The mortality of the haemolytic <i>Streptococcus</i> on the skin and on other surfaces . . . . .	575
BUTLER, G. G. The keeping qualities of vaccine lymph. (With 8 Charts in the Text) . . . . .	120
CROSSLEY, E. L. The bacteriology of meat and fish pastes, including a new method of detection of certain anaerobic bacteria . . . . .	205
CUMMINS, Prof. S. L. and WILLIAMS, Dr ENID M. The adsorbent effects of various dusts on diluted "old tuberculin" . . . . .	638
DAVIDSON, S. WHATELY, <i>see</i> MYERS, G. NORMAN	
DAVIS, HILDA M. Horse-serum skin tests . . . . .	325
DIBLE, HENRY J., <i>see</i> ANDERSON, C. S.	
DOWNIE, ALLAN W. Antigenic activity of extracts of pneumococci . . . . .	279
DOWNIE, ALLAN W. Antipneumococcal species immunity . . . . .	292
DRUMMOND, J. C., SINGER, ELEANOR, WATSON, S. J., FERGUSON, W. S. and BARTLETT, M. S. An experiment on the nutritive value of winter-produced "summer" milk . . . . .	25
DRUMMOND, J. C. and others. The effects of life-long subsistence on diets providing suboptimal amounts of the "Vitamin B complex". (With 4 figures in the text) . . . . .	356
EDINGTON, J. W. Sulphuretted hydrogen production by bacteria in a lead mine . . . . .	683
EDWARDS, PHILIP R. A new <i>Salmonella</i> type: <i>Salmonella kentucky</i> . . . . .	306
EDWARDS, PHILIP R. and BRUNER, D. W. Two new <i>Salmonella</i> types isolated from fowls . . . . .	716

	PAGE
ERNST, J., <i>see</i> HENNINGSEN, E.	
FELIX, A. The titration of therapeutic anti-typhoid serum . . . . .	750
FELIX, A. and PETRIE, G. F. The preparation of anti-typhoid serum in the horse for therapeutic use in man . . . . .	673
FERGUSON, W. S., <i>see</i> DRUMMOND, J. C.	
GLASS, V. and WRIGHT, H. D. Cross infection in diphtheria wards . . . . .	248
GORER, P. A. and SCHÜTZE, H. Genetical studies on immunity in mice. II. Correla- tion between antibody formation and resistance . . . . .	647
GRAHAM-SMITH, G. S. Obituary Notice of George Henry Falkiner Nuttall . . . . .	129
GRACE, H. G., <i>see</i> TURNER, H. MIDGLEY	
GREGORY, T. S. and ATKINSON, NANCY. An investigation of the normal agglutinins for typhoid and paratyphoid bacilli in human sera in Victoria, and the inter- pretation of the Widal test . . . . .	566
HAINES, R. B. Observations on the bacterial flora on the hen's egg, with a description of new species of <i>Proteus</i> and <i>Pseudomonas</i> causing rot in eggs . . . . .	338
HEIBURG, POVL. Is general paresis dependent upon previous treatment with mercury? (With 4 figures in the text) . . . . .	500
HENNINGSEN, E. JUEL and ERNST, J. Milk epidemic of angina, originating from a cow with mastitis and due to <i>Streptococcus pyogenes</i> . (Lancefield group A). (With 1 figure in the text) . . . . .	384
HOPKINS, G. H. E. Cotton and plague in Uganda . . . . .	233
HORGAN, E. S. The experimental transformation of variola to vaccinia . . . . .	702
IRWIN, J. O., <i>see</i> BARKWORTH, H.	
IRWIN, J. O., <i>see</i> MILES, A. A.	
JENSEN, ELSA and JENSEN, VILH. Studies on the influence of various organic sub- stances upon the phenol coefficient . . . . .	141
JOHNSON, C. G. Thermograph records in rooms of some London dwelling-houses throughout the year 1935-6 and their comparison with temperatures recorded in out-door meteorological stations. (With Plates X and XI and 4 Figures in the Text) . . . . .	222
KEMP, AUDREY E., <i>see</i> PULLINGER, E. J.	
KHALIL, A. M. The incidence of organisms of the <i>Salmonella</i> group in wild rats and mice in Liverpool . . . . .	75
KLEINEBERGER, EMMY. Pleuropneumonia-like organisms of diverse provenance: some results of an enquiry into methods of differentiation. (With Plates XVII and XVIII and 8 Text-figures) . . . . .	458
KON, P. M., KON, S. K. and MATTICK, A. T. R. An investigation of factors governing potato-starch refection in rats. (With Plate I and 9 Figures in the Text) . . . . .	1
KRANN, H., <i>see</i> SWELLENGREBEL, N. H.	
KRISTENSEN, MARTIN. Studies on the type division of the typhoid and paratyphoid <i>B. bacilli</i> by fermentation . . . . .	688
KROGH-LUND, G. On diphtheria immunity in North Greenland, 1932-3 . . . . .	217
LASNITZKI, A. Action of carcinogenic tar upon lymph-glands (With Plate XIII) . . . . .	392
LÉPINE, PIERRE. On the evolution of fixed strains of rabies virus . . . . .	180
LYTH, R. and TWORT, C. C. Commercial and molecular distillates of mineral oils in relation to their carcinogenicity. (With two Graphs) . . . . .	269
MALCOLM, JAMES F. The classification of coliform bacteria . . . . .	395
MARRIAN, PHYLLIS, M., <i>see</i> DRUMMOND, J. C.	
MATTICK, A. T. R., <i>see</i> KON, P. M.	
MCCANCE, R. A., WIDDOWSON, E. M. and VERDON-ROE, C. M. A study of English diets by the individual method. III. Pregnant women at different economic levels . . . . .	596

## Index of Authors

775

	PAGE
MILES, A. A. and MISRA, S. S. The estimation of the bactericidal power of the blood. With a note by J. O. IRWIN . . . . .	732
MINETT, F. C. Experiments on <i>Staphylococcus</i> food poisoning . . . . .	623
MINETT, F. C. and BENDIXEN, H. C., <i>see</i> BENDIXEN, H. C.	
MISRA, S. S., <i>see</i> MILES, A. A.	
MYERS, G. NORMAN and DAVIDSON, S. WHATELY. An investigation of the effects of certain substitutes for morphine and heroin upon the passage of food along the alimentary tract of the human subject. (With Plates XIV–XVI) . . . . .	432
PETRIE, G. F., <i>see</i> FELIX, A.	
PULLINGER, E. J. and KEMP, AUDREY E. Growth of <i>Salmonella typhi</i> and certain members of the <i>Salmonella</i> group in milk and butter stored at atmospheric temperatures . . . . .	587
ROBERTSON, R. C. and YU, H. Leucopenia and the toxic substances of <i>B. typhosus</i> .	299
SAVAGE, Sir WILLIAM. An ice-cream food poisoning outbreak due to <i>B. dysenteriae</i> (Sonne) . . . . .	331
SCHOLTENS, R. TH. The importance of receptor analysis for the study of physico- chemical properties of typhoid bacilli . . . . .	273
SCHUTZE, H., <i>see</i> GORER, P. A.	
SINGER, ELEANOR, <i>see</i> DRUMMOND, J. C.	
SINGH, M., <i>see</i> BHATNAGAR, S. S.	
SMITH, J. Leptospiral infections in rats. The presence of specific leptospiral immune bodies in the serum and their relationship to carrier conditions . . . . .	521
SPEECHLY, C. G. J., <i>see</i> BHATNAGAR, S. S.	
SPOONER, E. T. C. A disease resembling distemper epidemic among ferrets . . . . .	79
SWELLENGREBEL, N. H., BUCK, A. DE and KRANN, H. Mechanism of malaria trans- mission in the province of North Holland. (With 3 figures in the Text) . . . . .	62
THAYSEN, A. C. Some observations on the Rideal-Walker test . . . . .	558
THOMPSON, A. R. The intradermal test in whooping cough. A review, with a study of 1300 cases. (With Graph I in the Text) . . . . .	104
TOPLEY, W. W. C., <i>see</i> WATSON, MARION	
TURNER, H. MIDGLEY and GRACE, H. G. An investigation into cancer mortality among males in certain Sheffield trades . . . . .	90
TWORT, C. C. and TWORT, J. M. The fate of mineral oils injected into the peritoneal cavity of mice . . . . .	255
TWORT, C. C., <i>see</i> LYTH, R.	
UTTLEY, K. H. Studies in tuberculosis in Hong Kong. (With 2 Graphs in the Text) .	150
VERDON-ROE, C. M., <i>see</i> McCANCE, R. A.	
WATSON, MARION, WILSON, JOYCE and TOPLEY, W. W. C. The effect of diet on epidemics of mouse-typhoid. (With 1 Chart in the Text) . . . . .	424
WATSON, S. J., <i>see</i> DRUMMOND, J. C.	
WIDDOWSON, E. M., <i>see</i> McCANCE, R. A.	
WILLIAMS, Dr ENID M., <i>see</i> CUMMINS, Prof. S. L.	
WILSON, W. JAMES. Isolation of <i>Bact. typhosum</i> by means of bismuth sulphite medium in water- and milk-borne epidemics . . . . .	507
WILSON, JOYCE, <i>see</i> WATSON, MARION	
WRIGHT, H. D., <i>see</i> GLASS, V.	
YU, H., <i>see</i> ROBERTSON, R. C.
