

Announcement

Second International Symposium on "Frying of Food"

First Announcement and Call for Poster Presentations

- Organized by:** Fundación Española de la Nutrición and the International Olive Oil Council
- Official languages:** English and Spanish
- Topics include:**
- The Frying Process:* physical and physico-chemical aspects; frying technology - continuous, discontinuous, catering
- Changes in Frying Fats:* analytical evaluation; repeated fryings; influence of minor components and additives; legislation
- Changes in Fried Foods:* energy, macronutrients and micronutrients; palatability; comparative study of frying and other cooking techniques; influence of the different factors involved in the process - food coatings, food volume:area ratio and fat:food ratio
- Frying and Health:* update on the role of frying in the prevention of some degenerative diseases; frying in the Mediterranean Diet; frying of food: quantity and quality of fat intake; epidemiology of the possible relationship between frying and health
- For further information contact:** D. José Manuel Avila,
Fundación Española de la Nutrición,
General Yagüe, 20, 4^a A,
28020 Madrid,
Spain
- Tel:** +34 1 556 01 63, +34 1 597 44 05
Fax: +34 1 597 44 04

*Announcement***TEMA-9****Ninth International Symposium on Trace Elements in Man and Animals**

Venue: Banff, Alberta, Canada

Date: 19 - 24 May 1996

The aims of the symposium are: (1) to provide a forum at which recent progress in studies on the metabolism and functional roles of trace elements could be discussed and (2) to provide an opportunity for an exchange of ideas between workers investigating these fundamental aspects of the biological function of trace elements and those whose task it is to apply their findings in the field of nutrition, human or veterinary medicine, agriculture, biology, ecology and protection of the environment.

The symposium program will comprise oral presentations, poster sessions, scientific sessions and workshops.

Official language: English

For Conference registration
