# **MODERN POLICING**

**Edited by Michael Tonry and Norval Morris**

These ten essays examine the diverse factors that have shaped the modern police force, focusing on how law enforcement functions and how it has developed into its current state. Historical, technological, and political overviews by leading scholars connect theory, policy, and research from a variety of fields. Much of this valuable information explores new insights which are critical for a more informed understanding of policing issues that face a changing and complex society.

**Modern Policing** will be a welcome review of current research for scholars of public policy, sociology, psychology, criminology, and legal studies.

*Modern Policing in Perspective, Norval Morris and Michael Tonry*
