

The JOURNAL and the BULLETIN are the official organs of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are \$56, or \$28 for students, and they include subscriptions to the current volumes of the JOURNAL and the BULLETIN.

Institutional membership in the Association is available to any academic institution or department. Annual institutional dues are \$475 for 1998. Membership privileges include choices of current subscriptions, of back volumes, and of student memberships.

Back volumes of the JOURNAL are available. Prices per volume in paper form are as follows: \$65 for Volumes 1–13; \$130 for Volumes 14–30; \$150 for Volumes 31–45; \$195 for Volumes 46–47; \$255 for Volumes 48–49; \$225 for Volumes 50–52; \$255 for Volumes 53–54; and \$290 for Volumes 55–61. Volume 26 is an index for Volumes 1–26 and Number 4 of Volume 45 is an index for Volumes 27–45. These two indexes may be purchased together for \$170. Number 4 of Volume 55 is a cumulative index for Volumes 27–55 (it includes the index published in Volume 45, Number 4, except for listings of reviews by subject, which has been discontinued). It may be purchased as a single issue for \$70. Members of the Association may purchase back volumes for their personal use at a 50% discount. A revised edition of *A Bibliography of Symbolic Logic* by Alonzo Church may be purchased separately; the price is \$17 for members and \$34 for nonmembers.

Requests for information, applications for membership, orders for back volumes, business correspondence, and notices and announcements for publication in the JOURNAL should be sent to the Secretary-Treasurer of the Association, *C. Ward Henson, ASL, Department of Mathematics, University of Illinois, 1409 W. Green Street, Urbana, IL 61801, U.S.A.* The Internet address of the Association's business office is asl@math.uiuc.edu. To see the ASL Homepage, point your browser to <http://www.math.uiuc.edu/~asl>.

Notices of change of address, dues, and subscriptions to the JOURNAL should be sent to the *Association for Symbolic Logic, Journals Division UIP, 1325 South Oak Street, Champaign, IL 61820-6903, U.S.A.* All orders must be accompanied by payment in dollars; Visa and Mastercard are accepted. To receive a replacement copy of the JOURNAL, please report damaged, defective, or missing issues within nine months of the date of publication.

Books for review in the JOURNAL should be sent to *Herbert Enderton, The Journal of Symbolic Logic, U.C.L.A., Los Angeles, CA 90095, U.S.A.* The other editors of reviews are *Matthew Foreman, Gerhard Jäger, Penelope Maddy, and Philip Scowcroft.*

Articles being submitted for publication in the JOURNAL should be sent in duplicate to one (and only one) of the following editors: *Neil Immerman, Department of Computer Science, University of Massachusetts, Amherst, MA 01003, U.S.A.*; or *Richard Kaye, School of Mathematics and Statistics, University of Birmingham, Edgbaston, Birmingham B15 2TT, England*; or *Steffen Lempp, Department of Mathematics, University of Wisconsin, Madison, WI 53706, U.S.A.*; or *David Marker, Department of Mathematics, m/c 249, University of Illinois at Chicago, 851 S. Morgan Street, Chicago, IL 60607, U.S.A.*; or *William J. Mitchell, Department of Mathematics, University of Florida, Gainesville, FL 32611, U.S.A.*; or *Michael Rathjen, School of Mathematics, University of Leeds, Leeds LS2 9JT, England*; or *Lou van den Dries, Department of Mathematics, University of Illinois, 1409 W. Green Street, Urbana, IL 61801, U.S.A.*; or *Michiel van Lambalgen, Department of Mathematics and Computer Science, University of Amsterdam, Plantage Muidergracht 24, 1018 TV Amsterdam, The Netherlands.*

Each manuscript should be typewritten with wide margins and with double spacing between the lines. Footnotes should be numbered consecutively and should also be typed with wide margins and double spacing, preferably on a separate sheet. Two copies of the manuscript should be sent to the editor, and the author should also keep a complete copy. After the paper is accepted in its final form, an electronic copy in L^AT_EX, A_MS-L^AT_EX, or A_MS-T_EX format would be useful. Fifty offprints of each article are supplied at no charge, and additional offprints may be purchased if desired.

The JOURNAL invites submission of (1) original technical papers in the field of symbolic logic, (2) expository papers in this field, (3) papers whose main point is philosophical and which either bear upon logic or make use of its methods, and (4) studies in the history of logic in which modern technical developments are taken into account.
