

Corrigendum

It is ethical to diagnose a public figure one has not personally examined – CORRIGENDUM

J. Gartner, A. Langford and A. O'Brien

<https://doi.org/10.1192/bjp.2018.132>, Published by Cambridge University Press, 21 September 2018.

Keywords: Diagnosis; history of psychiatry; media; corrigendum.

In the introduction to this article, John Gartner was incorrectly referred to as a psychiatrist. He is in fact a psychologist.
