two important Soviet studies

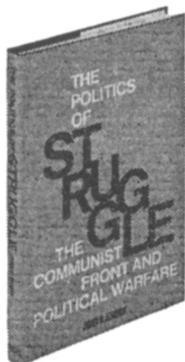

The Communist Party Apparatus by Abdurakhman Avtorkhanov

The organization and function of the Communist Party in the USSR is an applied political science that is esoteric, taught only to the party elite, and unknown to the West.

Now, a former Red Professor and Regional Party Chief offers us an invaluable and definitive study that reveals how the party organization is constructed and how it functions—officially, internally and secretly.

The Politics of Struggle

The Communist Front and Political Warfare
by James D. Atkinson

Because we have failed to mobilize our democratic resources, Communist international fronts gain psycho-political victories by default. In his superb history of the organization, operations and techniques of these fronts—from Lenin to the present—Dr. Atkinson shows us how they are able to confuse opinion, weaken the will to resist, and win their battles.

The Politics of Struggle also contains a case history of the World Federation of Teachers' Unions, or FISE, which provides a microcosm of all the fronts and their role as proxy forces in the war against democracies.

\$6.50

Dr. Atkinson is Associate Professor of Government at Georgetown University and Research Associate at the Georgetown Center for Strategic Studies. He is also the author of *The Edge of War* and numerous articles on political warfare.

A good way to keep informed about European and World Affairs is to read regularly the journal of the German Society for Foreign Affairs:

EUROPA-ARCHIV

Zeitschrift für internationale Politik

Begründet von Wilhelm Cornides

EUROPA-ARCHIV, now in its twenty-first year of publication, contains articles and documents on international relations and a current chronology of world events as well as review articles and a bibliography of recent publications.

Articles in recent issues:

PIERRE HASSNER: Polyzentrismus in Ost und West

JOHANNES STEINHOFF: Militärische Probleme des westlichen Verteidigungsbündnisses im Schatten der NATO-Krise

SISIR GUPTA: Die Nuklearpolitik Indiens

JUSTUS M. VAN DER KROEF: Überprüfung und Anpassung der amerikanischen Asienpolitik. Eine Bilanz der China-Hearings des amerikanischen Kongresses

ROLF BREITENSTEIN: Die Grosse Gesellschaft im Kriege

Annual subscription (24 issues): DM 65, plus postage
Specimen copies on request
