NEW FROM CHICAGO

JUSTICE IN THE BALKANS

Prosecuting War Crimes
in the Hague Tribunal

John Hagan

"With our attention shifted from ethnic cleansing to global terrorism, we have lost track of what is at stake in The Hague. With this penetrating analysis of the court's workings, Hagan forcefully yanks us back. . . . Hagan traces the complex interactions between investigatory and prosecutorial teams, the dynamics between witnesses and prosecution, and how the special leadership of three successive chief judges turned an unpromising start into a forceful finish. On the path from the Nuremberg trials to the 'liberal legalism' of the International Criminal Court, these proceedings, Hagan argues, stand as a milestone in the creation of humanitarian and international criminal law."—Robert Legvold, *Foreign Affairs*

RECONSIDERING ROOSEVELT ON RACE

How the Presidency Paved
the Road to *Brown*

Kevin J. McMahon

"A fabulous study and a great story. Through his innovative examination of FDR's strategic decision to promote civil rights through a reconstructed federal judiciary, McMahon makes an original and important contribution to civil rights history and the determinants of constitutional change. Highly recommended."

—Howard Gillman, author of
The Votes That Counted

CRIME AND JUSTICE

VOLUME 30

A Review of Research
Edited by **Michael Tonry**

"The most relevant topics for today's policy makers and academicians are presented in a manner both comprehensive and accessible. As editor, Tonry has created a careful blend of the key philosophical, theoretical, and policy-relevant issues of the day. . . . A must for any bookshelf."—*Crime and Justice Review*

VOLUME 31

Youth Crime and Youth Justice:
Comparative and Cross-national
Perspectives

Edited by **Michael Tonry**
and **Anthony N. Doob**

Volume 31 of *Crime and Justice* presents a global view on youth justice systems in Canada, Denmark, Germany, Great Britain, the Netherlands, New Zealand, Sweden, and an aggregation of Western countries. The systems are addressed in five sections, which discuss the relevance of a separate youth justice system, age limitations, historical stability and changes, welfare concerns, and comparisons of the current laws as written and administered.

THE JOURNAL OF

Legal Studies

Available online at
www.journals.uchicago.edu

Editors: Eric A. Posner
and Alan O. Sykes

The Journal of Legal Studies provides
a forum for basic theoretical, empirical,
historical, and comparative research
into the operation of legal systems and
institutions, relying on contributions
from economists, political scientists,
sociologists, and other social scientists,
as well as legal scholars, for its content.

Published semiannually in January and June for **The University of
Chicago Law School** by **The University of Chicago Press**
ISSN: 0047-2530

Editors: Eric A. Posner and Alan O. Sykes,
University of Chicago Law School.

Journal of **INDIVIDUAL EMPLOYMENT RIGHTS**

editor, CHARLES J. COLEMAN
associate editor, THEODORA T. HAYNES
manuscript editor, CLAIRE MEIROWITZ

editorial intent

One of the most rapidly evolving areas of employment law is that of individual employment rights. Employees are asserting newly found rights against their employers arising out of at-will employment erosion, binding commitments present in handbooks and employment policies, public policy violations, privacy intrusions, and so forth.

Individual employment rights is an area of employment law that has no clearly defined boundaries. The sources of these rights include federal and state constitutions, a multitude of employment statutes, and the common law. Its subject matter is equally varied, including such diverse matters as record keeping and disclosure, health and safety, fair employment practices, alcohol and drug abuse, AIDS, medical screening, employee surveillance, wage and hour standards, union-management relations, employment contracts, dispute resolution, etc.

The *Journal of Individual Employment Rights* is a peer-referred journal and its intent is to serve as a central source for addressing and researching these newly asserted rights as they are debated and developed by courts, academicians, legal practitioners, and human resource professionals. Its emphasis is on the theoretical as well as the practical by serving as a forum for the interchange of ideas and information for all individuals concerned with this developing area.
