

THE CAMBRIDGE ANCIENT HISTORY **Third Edition**

Volumes 1 and 2 of *The Cambridge Ancient History* have been rewritten, increased in size, and each divided into two parts. The individual chapters, as they were completed, have been issued separately as fascicles, but without maps, indexes and chronological tables which will be found only in the complete volumes.

Published this fall:

Volume 1, Part 1: **PROLEGOMENA AND PREHISTORY**

Edited by I. E. S. EDWARDS,
G. J. GADD, N. G. L. HAMMOND

Begins with an account of what is known about the remote geological ages and presents the different kinds of evidence concerning man and his physical environment down to the end of the Predynastic Period in Egypt and the parallel stages of development in Mesopotamia, Persia, Anatolia, Palestine, Cyprus, Greece and the islands.

"The results of important archaeological discoveries add much to this incomparable reference work . . . There is no substitute for the *CAH*."—*Library Journal*

Volume 1, Part 1: \$19.50

To be published early in 1971:

Volume 1, Part 2: **THE EARLY HISTORY OF THE MIDDLE EAST**

This volume covers the period from about 3000 to 1750 B.C.
