

EDITORIAL

The editors of the *Revista Mexicana de Astronomía y Astrofísica* take pleasure in presenting the *Proceedings of the IAU Colloquium No. 33* as Volume 3—a Special Issue—of the *Revista*.

We are glad to have collaborated with O. G. Franz and P. Pişmiş the special editors nominated by the IAU for the publication of these Proceedings.

The efficient secretarial assistance of Ms. E. Themsel is greatly appreciated. We wish to extend our thanks to her as well as to several colleagues for assistance.

The Editors

CARLOS CRUZ GONZÁLEZ†

EUGENIO E. MENDOZA V.

PARIS PİŞMİŞ

† We regret to record the untimely death of Dr. Carlos Cruz-González on April 8, 1977 while these Proceedings were in press. Dr. Cruz-González had spent many an hour preparing the papers for publication. An obituary will appear in Volume 2, No. 3 of this journal.

Dr. W. S. FINSEN.
