

# Corrigendum

## The effects of vitamin and mineral supplementation on symptoms of schizophrenia: a systematic review and meta-analysis – CORRIGENDUM

J. Firth, B. Stubbs, J. Sarris, S. Rosenbaum, S. Teasdale, M. Berk and A. R. Yung

<https://doi.org/10.1017/S0033291717000022> Published online by Cambridge University Press 16 February 2017

An error was included in the recently published article and the correction is listed below.

“Pooled effects showed that vitamin B supplementation (including B6, **B8** and B12)...”

should have read:

“Pooled effects showed that vitamin B supplementation (including B6, **B9** and B12)...”

The authors would like to apologise for this error.
